**PETITION UNDER 37 CFR 1.182 TO RESET PERIOD OF REPLY  
TO NOTICE OF MISSING PARTS**

Sir:

Applicants hereby petition to have the time for reply to the Notice Of Missing Parts (attached hereto with the filing receipt, as Exhibit A) mailed in connection with the above mentioned application reset.

The Notice of Missing Parts (and the filing receipt) has printed thereon a mailing date of March 2, 2004, but it was not received at the office of the undersigned until October 25, 2004, as evidenced by the "EPLC Received" stamp on the Notice, and in addition as evidenced by the entries in our internal docket for this Application, attached hereto as Exhibit B.

In the attached docket, the NOMP entry indicates the date by which a notice of missing parts is expected. Note that next to the NOMP docket entry is the note "RCV 25/10/2004", indicating that the Notice was received October 25, 2004 (using the non-US date format). Further, the D-NOMP entry, normally entered when the office of the undersigned receives a notice of missing parts, is absent. The "RCV 25/10/2004" entry was entered by a paralegal who then informed the undersigned of the discrepancy between the stated mailing date and the received date of the Notice; thus a D-NOMP entry was never created.

If this Petition is granted, Applicants request that the response to the Notice (also attached hereto) be forwarded to the appropriate office for processing. In an October 27, 2004 conversation between Janine Feldman, a paralegal at the office of the undersigned, and a representative of the Customer Service Department at the Office, the office representative recommended that Applicants file the present Petition, and that the \$130.00 petition fee will be refunded when the petition is granted.

Applicants are submitting concurrently a reply to the Notice of Missing Parts, including a signed Declaration and Power of Attorney from the parent application (the present application is a continuation application).

The Patent Office is hereby authorized to charge the \$130.00 fee under 37 CFR 17(h) to Deposit Account 05-0649. No other fees are believed to be due. If any additional fee is due, the undersigned attorney hereby authorizes the Patent Office to charge such additional fee to Deposit Account 05-0649.

Respectfully submitted,
